AmericasBarometer – International 2014

Banner-Question Key

This detailed set of statistical tables shows survey results for the total general population and also by various subgroups of interest. For this table set there are three “banners” of subgroups, drawn from questions in the survey. The results have also been tested for significant differences within these subgroups. The statistical tests undertaken are an independent T-Test for means and independent Z-Test for percentages. The following key shows the questions used to create the banner subgroups and also what groups have been tested for significant differences in each of the banners.

Country Codes

<u>NORTH AMERICA:</u>	CAN: Canada	USA: United States of America	MEX: Mexico				
<u>CENTRAL AMERICA:</u>	BEL: Belize	GUA: Guatemala	ELS: El Salvador	HON-HONDURAS	NIC: Nicaragua	COS: Costa Rica	PAN: Panama
<u>SOUTH AMERICA:</u>	VEN: Venezuela	GUY: Guyana	SUR: Suriname*	COL: Colombia	ECU: Ecuador	PER: Peru	
	BOL: Bolivia	BRA: Brazil	PAR: Paraguay	CHL: Chile	URU: Uruguay	ARG: Argentina	
<u>CARIBBEAN:</u>	JAM: Jamaica	HAI: Haiti	DMR: Dominican Republic	T&T: Trinidad & Tobago			

*Suriname data not available at time of printing

In the tables that follow, **upper case letters** under the percentages indicate subgroup differences that are significant at the **95% level**.

BANNER 1

AmericasBarometer – International 2014

12. The following scale goes from left to right, where “1” means LEFT and “10” means RIGHT. Nowadays when we speak of political leanings, we talk of those on the left and those on the right. In other words, some people sympathize more with the left and others with the right. According to the meaning that the terms 'left' and 'right' have for you, and thinking of your own political leanings, where would you place yourself on this scale?
